

RESOURCES RELEVANT TO ANESTHESIOLOGY EDUCATION

ASSOCIATIONS:

Society for Education in Anesthesia

<http://www.seahq.org> is the primary site for Anesthesia education. It contains announcements for workshops on teaching, discussions and resources related to improving the educational quality of anesthesia residency, a forum designed as a resource for Medical Student Clerkship Directors, and a one-stop-shopping for educational and evaluation materials. Sample materials are available for download.

The SEA website also offers a forum designed and managed by leaders in the field of simulation education. The goal of the forum is to provide a resource to benefit individuals new to simulation and also seasoned veterans through a discussion group format along with case scenario downloads.

The American Society of Anesthesiologists

<http://www.asahq.org> is the site of the American Society of Anesthesiologists (ASA), which represents the main governing body of the specialty. The site includes information about patient education (16 booklets) and continuing education.

THE WEBSITE FOR THE DEPARTMENTS OF ANESTHESIOLOGY AT THE UNIVERSITY OF MIAMI

<http://www.anesthesiology.med.miami.edu> is the website for the Department of Anesthesiology at the University of Miami School of Medicine. Under the Craythorne Library tab the website presents many links to important sites for Anesthesiologists. The website does not yet contain articles on anesthesiology education but there is interest in adding this material.
